School Description

About Our School

Long Barn High School offers an alternative education and continuation program for juniors and seniors who are credit deficient. 8 students are currently enrolled. It is a part of the Summerville Union High School District which serves a total of 624 students.

Long Barn High School has a Drincipal, Deputy Principal/grade level coordinator, and two grade level coordinators (GLCs). The GLCs' duties include counseling, scheduling, discipline, career guidance, and teacher evaluations. Each GLC remains with his or her class for all four years of high school to maintain continuity in the educational programs for students.

Long Barn High School is located in the small town of Long Barn in the old government building which it shares with Cold Springs High School. Students enrolled in Long Barn High School have been placed there due to credit deficiency and a need to accelerate credit completion in order to earn a high school diploma. These students benefit from the small school climate and low teacher to student ratio. Long Barn High School has 1 full time teacher. Students receive curriculum and instruction appropriate for their individual needs and graduation plans. Students access curriculum through APEX and through direct instruction and district adopted curriculum.

GUIDING PRINCIPLES: SUMMERVILLE UNION HIGH SCHOOL DISTRICT

Vision Statement:

Summerville High School District: Preparing students for college, career and life.

Mission Statement:

By providing quality education, Summerville High School District prepares students to become effective communicators, critical thinkers and responsible citizens who value lifelong learning.

The Core Values of our Professional Staff:

1. Improving Student Learning

We strive always to improve student learning. Our aim is to prepare all students for success in college, career, and service to the community. We expect all students to learn at the levels necessary for success, and we modify our instruction to ensure that all students learn.

2. Teamwork

We work in teams. We value collaboration, cooperation, and communication to best work together to maximize student learning. We believe we all work better when the school community works together: teachers, support staff, parents, community, and students. We are adaptable, flexible, and consistent.

3. Respect

We respect one another, our students, our workplace, the work we do, and the community we serve. Our students learn best in a safe, clean, positive atmosphere of caring, empathy, and sincerity. We prepare students for success by consistently modeling responsible behavior and responsiveness to student needs.

4. Professionalism

We are professionals, and we serve students at a professional level. We know how to do our work effectively and we learn from experience. We

are committed to continuous improvement of all aspects of our institution. We set clear goals and follow through to meet them with consistency, integrity, and dedication. We hold ourselves accountable for student learning and work to improve it.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Long Barn High School facility was originally a county building in Long Barn. It houses both Long Barn High School and Cold Springs High School. The roof was replaced over the summer. While the plumbing is old and outdated, sinks and toilets are working but require occasional maintenance.

School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: October, 2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	--	N/A	56	N/A	50	N/A
Math	--	N/A	31	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are invited to participate in the School Site Council, and serve as members of the Sober Grad committee. Every six weeks, a newsletter is mailed home to all parents with information about upcoming meetings and events, encouraging parent participation. Weekly campus automated phone call updates are sent to parents via School Messenger and email to keep them informed of events and health public health information. At the start of each school year, administrators host an orientation for all parents who are new to the district.

For academic progress, Grade Level Coordinators mail home letters to the parents of students who are in danger of failing classes after each grading period to keep parents regularly updated about their child's graduation progress. For school delays, emergency situations, and general information that must be received by parents in a more timely manner, the district utilizes School Messenger for automated phone calls. Parents are also able to log in to PowerSchool and check their child's grades in real time. Parents are encouraged to contact teachers and Grade Level Coordinators if they have any concerns regarding their child's performance.

During the 2018-2019 school year, parents were included in the district's comprehensive WASC self-study and committee visit. Following our WASC findings, parents were included in a schedule committee created to evaluate the schedule in place. Parent input and feedback was an integral part of both the WASC self-study and the schedule committee findings.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The School Safety Plan is a district wide plan which is reviewed and updated each month with the School Site Council, which includes parents, staff and students. Several modifications to the safety plan have been made in the past three years. The safety plan is annually presented to the Governing Board in March of each year. The last approval was in March, 2020.

The key elements of the plan include:

On site and off site evacuation;
Secure school situation;
Duck and cover;
Lockdown for active intruder;
Suicide prevention and response;
Natural disasters and weather related emergencies
Physical and social climate.

In addition, for the 2020-2021 school year, the district has approved a COVID Safety Plan which was approved by the Public Health Department and posted on the school website.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	52.9	--	5.9	5.5	3.5	3.5
Expulsions	0.0	--	0.0	0.3	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	9	38	
Expulsions	2	5	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Three full days are set aside each school year for inservice training for the teaching staff. In addition, monthly staff meetings are used for both the presentation of information, discussion, and professional development. Teachers are encouraged to attend professional development off campus as well. For example, AP Institutes, CAASPP trainings, the Rock Star training for teachers in technology, and NGSS trainings for science teachers.

During the 2018-2019 school year, the focus has been on continued implementation of NGSS, English teachers are attending Expository Reading and Writing Curriculum (ERWC) training for all grade levels 7-12. Math teachers are working on collaboration for instructional strategies and benchmark assessments. Administrative staff has provided multiple training opportunities to staff on differentiated instruction strategies, CPR and First Aide, state mandated safety training and regular training as safety plan continues to be updated. The district hired a new superintendent who attended the ACSA Superintendent Academy in Sacramento.

During the 2019-2020 school year, Math teachers participated in professional development with a math trainer including training in High-yield Math Routines. The Special Education Coordinator attended the ACSA Special Education Academy in Sacramento. Administrative staff has provided multiple training opportunities to staff on differentiated instruction strategies, CPR and First Aide, state mandated safety training and regular training as safety plan continues to be updated.

During the 2020-2021 school year, professional development focused heavily on distance learning tools and technology. These trainings were provided by Tuolumne County Superintendent of Schools. Further, targeted staff received APEX training, as we expanded our online learning courses in response

to a larger number of students seeking distance learning or independent study placement due to the COVID-19 pandemic. Finally, staff received training in responding to students with emotional health needs/ students in crisis through our district crisis counselors.

Types of Services Funded

There are three levels of services available to Long Barn High School students for support:

Students placed in this program have access to a full time teacher at all times as well as access to an Education Specialist. Teacher:Student ratio is usually between 1:6 and 1:11. This allows for a great deal of personalized instruction and support throughout the school day.

Education Specialists: Students with IEP's have access to Specialized Academic Support and supplementary services such as speech and language, occupational therapy, deaf and hard of hearing services, and vocational training, and paraprofessional staff.

Tutoring: Tutoring is now offered 4 days per week after school on the main campus for all district students. 2 days with a math instructor, 1 day with a science instructor, and 2 days with an instructional assistant.

Career Technical Education Programs

Long Barn High School offers courses through APEX. Many courses specifically focused on career preparation and preparation for work are available through this online learning platform. These courses meet a variety of elective requirements, graduation requirements and A-G requirements. Courses of study are individualized based on student interest and need in order to complete a high school diploma and prepare students for careers and college.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
