2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

<https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

About Our School

Mountain High School is a Necessary Small School with 2 students currently enrolled. It is a part of the Summerville Union High School District which serves a total of 644 students.

Mountain High School has a Principal and two grade level coordinators (GLCs). The GLCs' duties include counseling, scheduling, discipline, career guidance, and teacher evaluations. Each GLC remains with his or her class for all four years of high school to maintain continuity in the educational programs for students.

Mountain High School is located in the small town of Pinecrest in a building owned and maintained by Tuolumne County on the old Pinecrest School campus. Some of the students enrolled in Mountain High School live in this remote area of the district. Others are placed there in order to access the benefits of the small school climate and low teacher to student ratio. Mountain High School has 1 full time teacher and two part time teachers. Mountain High School, as part of Summerville Union High

2023-24 School Description and Mission Statement

School, promotes environmental literacy through outdoor education to support students' mental and physical health while upholding rigorous academic standards. Mountain High School fosters skills, routines, and character that will prepare students to become stewards of the planet, productive citizens within their community, and assets in the workforce. Working within a small group setting, we increase motivation, time management, and student agency over their learning and themselves.

Students will:

- Encounter a more personalized education.
- Tackle real-world problems in our community, environment, and world.
- Benefit from our partnerships with local agencies and experts.
- Be held to high academic standards.
- Experience a curriculum that fosters curiosity and inquiry into the world around them.
- Work on projects that are cross-curricular, incorporating a variety of subjects

GUIDING PRINCIPLES: SUMMERVILLE UNION HIGH SCHOOL DISTRICT

Vision Statement:

Summerville High School District: Preparing students for college, career and life.

Mission Statement:

By providing quality education, Summerville High School District prepares students to become effective communicators, critical thinkers and responsible citizens who value lifelong learning.

The Core Values of our Professional Staff:

1. Improving Student Learning

We strive always to improve student learning. Our aim is to prepare all students for success in college, career, and service to the community. We expect all students to learn at the levels necessary for success, and we modify our instruction to ensure that all students learn.

2. Teamwork

We work in teams. We value collaboration, cooperation, and communication to best work together to maximize student learning. We believe we all work better when the school community works together: teachers, support staff, parents, community, and students. We are adaptable, flexible, and consistent.

3. Respect

We respect one another, our students, our workplace, the work we do, and the community we serve. Our students learn best in a safe, clean, positive atmosphere of caring, empathy, and sincerity. We prepare students for success by consistently modeling responsible behavior and responsiveness to student needs.

4. Professionalism

We are professionals, and we serve students at a professional level. We know how to do our work effectively and we learn from experience. We are committed to continuous improvement of all aspects of our institution. We set clear goals and follow through to meet them with consistency, integrity, and dedication. We hold ourselves accountable for student learning and work to improve it.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)					33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2022-23 Career Technical Education Programs

Mountain High School offers courses through APEX. Many courses specifically focused on career preparation and preparation for work are available through this online learning platform. These courses meet a variety of elective requirements, graduation requirements and A-G requirements. Courses of study are individualized based on student interest and need in order to complete a high school diploma and prepare students for careers and college.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are invited to participate in the School Site Council and Athletic Boosters; volunteer for theater productions, club activities and field trips; and serve as members of the Sober Grad committee. Every six weeks, a newsletter is mailed home to all parents with information about upcoming meetings and events, encouraging parent participation. Weekly campus automated phone call updates are sent to parents via School Messenger and email to keep them informed of events and health public health information. At the start of each school year, administrators host an orientation for all parents who are new to the district.

For academic progress, Grade Level Coordinators mail home letters to the parents of students who are in danger of failing classes after each grading period to keep parents regularly updated about their child's graduation progress. For school delays, emergency situations, and general information that must be received by parents in a more timely manner, the district utilizes School Messenger for automated phone calls. Parents are also able to log in to PowerSchool and check their child's grades in real time. Parents are encouraged to contact teachers and Grade Level Coordinators if they have any concerns regarding their child's performance.

C. Engagement

State Priority: Pupil Engagement

2023-24 School Safety Plan

The School Safety Plan is a district wide plan which is reviewed and updated each month with the School Site Council, which includes parents, staff and students. Several modifications to the safety plan have been made in the past three years. The safety plan is annually presented to the Governing Board in March of each year. The last approval was in March, 2020.

The key elements of the plan include:

- On site and off site evacuation;
- Secure school situation;
- Duck and cover;
- Lockdown for active intruder;
- Suicide prevention and response;
- Natural disasters and weather related emergencies
- Physical and social climate.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. Professional Development

Three full days are set aside each school year for inservice training for the teaching staff. In addition, monthly staff meetings are used for both the presentation of information, discussion, and professional development. Teachers are encouraged to attend professional development off campus as well. For example, AP Institutes, CAASPP trainings, and NGSS trainings for science teachers, and vertical alignment PD offered through TCSOS.

The Special Education Coordinator attended the ACSA Special Education training in Palm Springs the last two years.

Professional Development

Administrative staff has provided multiple training opportunities to staff on differentiated instruction strategies , CPR and First Aide, ALICE, state mandated safety training and regular training as safety plan continues to be updated.

Focus during the 2021-2022 school year has included continuing professional development with a math trainer including training in High-yield Math Routines. To address an increase of students struggling with depression and anxiety as a result of the COVID pandemic, staff professional development has focused heavily on mental health support practices for our district crisis counselors.

Professional Development in the 2022-2023 and the 2023-2024 school year has focused on department collaboration and alignment across grade levels and subject areas.
