When addressing the Board, please state your name and address for the record. This time is set aside for items not on the agenda. The public may address the Board on agenda items immediately prior to them being considered by the Board. Though the Board generally will not respond, we are listening carefully. Depending on the nature of the presentation, the Board President or Superintendent may respond or the President may call upon Board members for brief comments, questions of clarification, provide a reference to staff or other resources for factual information, or request the Superintendent to report back to the Board at a subsequent meeting concerning the matter. However, in compliance with Board Policy and the Ralph M. Brown Act, the Board is not permitted to take action on non-agenda items.
