

## **Calaveras Tuolumne Cattlewomen Scholarship**

The Calaveras Tuolumne Cattlewomen's (CTCW) Scholarship program has been established for students who are entering into a profession which will further or benefit the cattle industry.

The scholarship will be awarded to a student who has indicated a definite interest in a profession which will be beneficial to the Beef Industry, such as: Veterinarian, Ranch Management, Agriculture Teacher, Animal Research, University Extension work, Agriculture Business/ Accounting, demonstrator of beef products and their use, Home Economics Teacher, and / or any other Agriculture related fields.

The scholarship recipient will receive an award up to \$500.00. The award will be distributed in full upon verification of student's full time enrollment.

Return the completed application, a personal statement/ essay & a copy of your school transcripts to the school counselor, who will forward it to the CTCW Scholarship Committee for consideration.
