

## SUMMERVILLE HIGH SCHOOL FOUNDATION

WEBSITE: [summervillefoundation.org](http://summervillefoundation.org)

Dear Parents,

Our Board of Directors is committed to helping provide creative and innovative educational opportunities for your students. If this is your first year at Summerville, we welcome you with open arms to a school that will put your students' needs at the top of the list. Last year we awarded nearly \$25,000 for various special projects with Bear Grant funding. We have been supporting education at Summerville since 2003!

On Saturday, October 25, 2025, we will hold the annual Hall of Fame, Feed the Bears Awards dinner at the Tuolumne County Resilience Center in Tuolumne, California. It will be a fun night with silent auction items, raffles and a surprise giveaway! Designed for families, this event will be a Mexican catered dinner buffet with a ticket price of only \$40.00/person, and \$20 for students under 12 years of age. We will have a no host bar with a selection of beers, wine and our famous margaritas, along with Shirley Temples and lemonade for kids. Tickets will be available at our website in September! See you there!

**GO BEARS!!!**
