Dear Friends of Sober Grad:

As you are undoubtedly aware, our Sober Graduation event scheduled for June 5, 2020 was postponed due to COVID-19. The Sober Graduation Committee, in cooperation with the California Highway Patrol, has rescheduled the all-night graduation party for the Class of 2020 for August 7, 2020. Last year 97% of the graduating students attended Sober Grad with their friends. Through your generous support we were able to provide food, entertainment and to give out prizes and/or cash to each of the graduating seniors. Thank you for your support!

The purpose of Sober Graduation is to keep our kids safe with no one risking injury or death due to the use of alcohol or other drugs on graduation night. Statistics show that this night is the most dangerous night of a teenager's life. Our challenge and hope is to attract each senior with a fun filled 7-hour celebration. Sober Grad unites students, parents, school and community with non-stop activities and entertainment without alcohol.

At Summerville we are committed to providing a safe place for seniors and their friends to celebrate graduation from high school. We know that you share with us the commitment to an alcohol and drug free environment for this celebration. How can you help make this safe celebration happen? By volunteering and or making a donation! We are in need of help the night of the event as well as food, money, gift certificates or gifts! We pride ourselves in being able to provide a gift to all seniors who attend the festivities. This would not be possible without the generous support of our community.

We are asking you to consider giving any type of donation to Sober Grad 2020. With your donation, you are helping to motivate graduates to attend this safe, fun, and memorable night. A thank you to all donors will be published in the local newspaper this summer. We are a non-profit committee. Our tax identification number is 77-0414095. We will also be happy to provide a letter for your tax records if you need one. Thank you for supporting a safe and sober celebration for the Summerville High School graduates.

We recognize that times are uncertain, and even with our good intentions, the possibility of having to cancel this event still looms. Regardless, we plan to gift these students a prize and/or cash while sharing a "sober graduation message" with them. If that occurs, funds not used for this purpose will be held in account for 2021 graduates (who are consequently losing many of their opportunities to raise funds).

If I can be helpful with any questions or concerns that you might have, please don't hesitate to contact me and thank you in advance for your consideration.

Sincerely,  
Wendy Flannery
