

Happy Thursday Summerville Community,

This is Brett Christopher and Michael Merrill with your Weekly Campus Update for November 17, 2022.

Reminder that next week is our Thanksgiving Holiday. There is no school Monday through Friday next week.

Weekly Staff Recognitions:

Classified Staff – We would like to recognize our awesome Transportation Specialist, Angela Howard, this week for her hard work coordinating safe transportation for our students. She is always kind, thoughtful, and making sure everyone works as a team to keep our students safe and to do what's best for them. Thank you Angela!

Certificated Staff – This week we would like to thank Karen Wessel for not only being a great Science teacher, but for also being a great colleague! She is a team player, a great collaborator, and always looking for ways to work together to provide opportunities for our students. Keep up the great work, Karen!

Sharing Campus News:

We have added text messaging capabilities to our School Messenger notification system. This notification method will only be used for urgent or emergency related short specific messages. The system is configured to send text messages to cell phone numbers whose recipients have agreed to receive them. If you have not already provided us with your cell number(s) during online registration, please do so now.

As we activate the service, you will see a text message from 67587, if you agree with receiving urgent and emergency text messages from the District, send a simple reply of "Y" (no quotes) and you will be set to receive these emergency messages going forward.

We will be sending a test text tomorrow that will ask you to reply. Thank you for your help with getting this system up and running.

Please be aware that Message and Data rates may apply, please contact your mobile services vendor for details and costs.

Sober Grad Needs You:

The next Sober Graduation Committee meeting will be Wednesday, December 7 at 5:30pm in the library (meetings are the first Wednesday of every month, with the exception of January, when we will meet the second Wednesday). Sober Graduation is a fun, all-night event for graduates and their friends that is put on by parents and the community. The committee is especially in need of parents of 10th, 9th, and 11th graders to be involved. For more information contact us at summervillesobergrad@gmail.com
