

Happy Friday Summerville Community,

This is Kellene Ditler and Michael Merrill with your Weekly Campus Update for October 8, 2021.

Quarantine Procedures:

Quarantine protocols for close contacts are as follows to allow asymptomatic students to remain on campus during quarantine under a “modified quarantine” status. This change is in line with the CDPH guidance. This will allow us to keep students at school for the entire quarantine period if they are identified as a close contact as long as two conditions are met:

1. Students remain asymptomatic
2. Students rapid test twice weekly during the 10-day quarantine period
 - a. A permission form must be on file in the school office

If your student is determined to be a close contact and you wish for them to remain on campus, they can be tested at school on Tuesday and Thursday mornings in room 405 with a rapid test. If you do not have a testing permission form completed and on file, please complete the registration form on our website and bring it with you and your student to the testing area. If your student tests negative, he/she may remain at school. If he/she receives a positive test result, you will need to take him/her home to quarantine.

The testing procedure used on campus is either a nasal swab PCR test or a nasal swab antigen rapid test.

Unvaccinated students that are placed on modified quarantine cannot participate in extra-curricular activities until cleared by a negative test after day 7.

Resilient Community

We ask that our community continue to work with us to make sure we can provide the safe learning environment that our students and staff deserve.

Parents—please help us keep our campus open by reminders to students to follow mask guidance which includes wearing a mask that meets CDPH guidelines and practice good handwashing.

School Site Council:

We are looking for 2 parents and 1 student to serve on School Site Council. If you are interested or have any questions please contact Mrs. Ditler at kditler@summbears.net These are elected positions for two year terms.

Athletics:

- If you are interested in playing any Winter or Spring sports, please get registered on the 8 to 18 website as soon as possible. Coaches will begin season planning and sending our communications prior to the season starting.

Homecoming Week:

Homecoming week will be celebrated at Summerville High the week of October 18-23, 2021.

Dress Up Days and activities for homecoming week include:

- Monday 10/18:** Mismatched Monday or blue color
Monday = Night Rally with crowning of King (6:30pm)
Following the Night Rally is Powderpuff game in stadium
- Tuesday 10/19:** Flashback/Flashforward or brown color
- Wednesday 10/20:** Pink out
- Thursday 10/21:** Anything but a backpack (carry your belongings in something other than a backpack) or grey color
- Friday 10/22:** Black and Orange Spirit Day
Homecoming Game vs Calaveras with Queen crowning at halftime of varsity game
- Saturday 10/23:** Outdoor semi-formal homecoming dance 8:00-11:00pm. More details to come.

Homecoming week will include lunchtime activities that will be announced daily.

COVID-19 Update:

We are currently seeing a downturn in COVID cases in Tuolumne County, but please continue to do your part to be safe and keep our schools open.

- **Safety Protocols:** Wear a CDPH approved face covering indoors (mask must properly cover both nose and mouth at all times), wash your hands frequently and stay home if you are not feeling well. Check the Public Health website at health@tuolumnecounty.ca.gov for information related to the state COVID testing site and vaccination clinics
- **Student screening:** We request that students/parents check for any COVID symptoms prior to coming to school. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19 and are recommended for testing:
 - Fever (100.4 or higher)
 - Cough
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headache
 - New loss of taste or smell
 - Sore throat
 - Congestion or runny nose
 - Nausea or vomiting
 - Diarrhea

- **Meetings:** Any meetings held on school campus require masking (regardless of vaccination status) if held indoors as per Public Health orders. Meetings will have zoom options if people choose not to mask, contact our office if you have any questions.

Updates will continue each week to keep our community informed.

Have a great weekend and we will see you all on Monday.
