Dear Chief Compliance Officer

RE: GMEI/LEI Number: 54930073TYB5XUHE6386

In support of new regulatory reporting requirements, CUSIP Global Services (CGS) in collaboration with The Depository Trust & Clearing Corporation (DTCC) is assisting the industry with the assignment and annual maintenance of Global Market Entity Identifiers (GMEI) formerly referred to as CICIs. This collaboration aims to assist market participants who must have legal entity identifiers (LEIs) to meet new regulatory requirements, increase market efficiencies regarding LEI registration, and aid widespread adoption of LEIs.

On an annual basis you are required to review and update core data elements and attributes that apply to your organization. The information reflected on the attached entity profile is the same as was initially submitted at the time of your GMEI/LEI registration.

As regulatory requirements increasingly move toward mandatory compliance, please review the attached entity profile to validate the existing data or apply any changes that might be needed, scan as a .pdf or MSWord document and e-mail the entity profile back to us at [gmei\\_support@cusip.com](mailto:gmei_support@cusip.com). The entity profile MUST be returned to us whether any updates were required or not.

Failure to comply on an annual basis may hinder the eligibility of the entity for regulatory reporting purposes. This is an essential step in the annual maintenance of your GMEI/LEI.

For further information on the annual Maintenance for GMEI identifiers please visit:

<https://www.gmeiutility.org/frequentlyAskedQuestions.jsp>

Please be advised that there is an annual fee of \$100 for the cost of updating and distributing your entity data. The invoice for this fee is attached.

In the event you have already responded to the GMEI/LEI annual maintenance correspondence please disregard this notice.

If you have any questions, please contact CUSIP Global Services Customer Service at (212) 438-6500.

Sincerely,  
Gerard Faulkner  
Director Operations, CGS
