

Summer Credit Recovery 2021

Session I: June 14-July 1

Session II: July 6-July 23 (Friday, July 9 makeup for July 5 holiday)

Curriculum for **most** classes will be delivered through **APEX Online**. Students taking APEX courses will be scheduled for 2.5 hour meetings, 2 days per week, Monday and Wednesday or Tuesday and Thursday. The two session options will be 8:00am to 10:30am or 10:30am to 1:00pm.

Students need to spend 5 hours per week in the school setting. All quizzes and tests must be completed in the presence of the teacher. Teachers will be responsible for keeping track of attendance hours, and at their discretion may schedule a make-up time for students to attend.

Each course requires approximately 60 hours to complete; students will need to spend *additional hours per week outside of the classroom completing work online*.

Students may also spend more time in the classroom than their assigned hours if they prefer to work in a school setting. If a student does not complete the coursework but meets minimum hours, the student can have time extended for coursework into the second session. At the end of the second session, all coursework needs to be completed.
