Happy Friday Summerville Community,

This is Kellene Ditley and Michael Merrill with your Weekly Campus Update for June 25, 2021.

## **Summer School:**

Summer school dates: Session #1 June 14-July 1. Session #2 July 6- July 22. There are still plenty of spots available, please contact your student's GLC to enroll.

## **Masking Requirement:**

Based on the most recent information from the state of California including CDPH, Cal/OSHA and Tuolumne County Public Health, masks are required to be worn when indoors on school K-12 campuses. We know there are varying agencies saying different things about masks, but schools must operate under K-12 school regulations and these require masking while indoors when students and staff are present despite any vaccination status.

## **Important Reminders:**

As always, it is critical that we continue to work as a team on campus and in our community to ensure for the safety of all and to ensure that our campus can remain open and our community is safe.

## **Athletics:**

Coaches are preparing for the 2021-2022 school year. Each athlete must be registered on 8to18, have a current physical dated after May 1, 2021, and a current concussion baseline test.

**Athletic Registration** for the 2021-2022 school year is open! To register, visit our athletics website: <https://summerville.8to18.com/accounts/login>. If your athlete plans on participating in multiple sports, please sign them up for all sports at the same time.

- **Physicals:** Adventist Health is unable to do the mass sports physicals this year, but both Forest Road Pediatrics (accepts Medi-Cal) and Foothill Pediatrics are leaving spots open for the athletes to get them done starting May 1st. They will be doing a full wellness exam on them in addition to the sports physical exam form. Athletes can still go to their own provider; you just need to make sure to bring your own forms. Please turn in your physical exam form and health history form to the athletics office.
- **Concussion testing:** All incoming freshmen, soon-to-be juniors, and new students will need a new baseline concussion test. Concussion testing will now be available by appointment only. Please contact our Technology and Media Services Coordinator,

Julian Van Bindsbergen at extension 6260 or by email  
at [jvanbindsbergen@summbears.net](mailto:jvanbindsbergen@summbears.net)

\*\*\*Summerville High has coaching positions open for next school year. If you are interested in being a part of our Bear Coaching Staff, check the link below for available positions and the application process:

Any questions please contact Jennifer Osterhout at 928-4228 x6230 or email at [josterhout@summbears.net](mailto:josterhout@summbears.net) See attached document about sports.

### **Vaccinations available for all Californians 12 years and older.**

TCPH would like to let everyone know that free COVID vaccinations are available for any member of our community who is age 12 or older. Below are the upcoming scheduled clinics which are being held at the Public Health Department on Cedar Road. Appointments can be scheduled at [www.MyTurn.ca.gov](http://www.MyTurn.ca.gov) Clinics are opened on MyTurn two weeks at a time, so keep checking for new open clinics.

In addition to Public Health clinics, vaccinations are also still available through pharmacies such as Rite-Aid, CVS, Wal-Mart, Save Mart, Twain Harte, and Groveland. Their respective websites will have information and there are also links on our website: <https://www.tuolumnecounty.ca.gov/1317/COVID-Vaccine> The vaccine website also has fact sheets on all three vaccines that you can review and download. If you have any questions, please feel free to give them a call. The COVID call center line is 533-7440 or the main office line is 533-7401.

- Friday 6/25, 9 AM – 4 PM (Pfizer)
- Monday 6/28, 9 AM – 12 PM (Moderna)
- Friday 7/2, 9 AM – 4 PM (Pfizer)
- Wednesday 7/14, 9 AM – 12 PM (J&J)

**This is the last of our regularly scheduled weekly updates for this school year.** If critical information becomes available in July, we will let you know through this school messenger and email system.

Updates will start again the first week of August with any new information.

We continue to see decreased numbers of positive COVID cases and positivity rates in Tuolumne County, but we still need to proceed with caution. Remember, it is critical for each of us to do our part to flatten the transmission rate of the virus.

Thank you to all for your continued support of our school, students and staff.

Have a great weekend, continue to mask up while indoors and please be safe.
