Welcome home Summerville Union High School District students

My name is Mike Merrill, and it is my honor to serve as your Superintendent. It is also my pleasure to welcome our newest Freshman class, forever known as the *Class of 2030*. You are entering high school at a great time. We are truly excited to share in your high school opportunities. Whether you are a returning student or a student new to our school, your pathway to success is lined with several choices that will help you to attain success. One of those choices is setting goals that reflect the things you want to attain now and in the future, and holding yourself to the highest standard to reach those goals. Another choice is centering yourself with a positive team that will help you to reach these goals. Your team should consist of equal parts parent/guardian support, school staff support, friends, and most importantly, you. Finally, no one will be totally successful without effectively communicating one's needs, desires, and wants. As a team, we will be successful if we continue to communicate in a way that allows each of us to help each other.

As you evaluate your future plans, I suggest that you get involved in Summerville High School activities, and create long-lasting friendships, keeping the following in mind:

- Don't limit your potential by simply accepting the easy way. Challenge yourself academically, artistically, athletically.
- Create a four-year academic plan that will not only challenge you to think, but allow you to access any career path at the end of your high school years, be it college, work, military, etc. Your goals and aspirations will change over time, so keep doors open for yourself.
- Count on people to be there to support you with making decisions. We have an excellent staff of professionals to assist students socially, emotionally, and academically.
- Involve your parents/guardians in your plans...count on them to be there not only as a resource, but also as an inspiration to do your best and be your best.
- Parents please continue to take an active part in your student's schooling. We need your voice to be heard, and we are here to support each other as we raise our students together.

Summerville High School District has a mission to equip students with the necessary skills to accomplish their goals. The end-result is not simply graduation, but preparation for life beyond. As Superintendent of Summerville Union High School District, please count on me as one of your trusted resources. As a team made up of educators, families and community resources, our students will succeed.

It is my distinct pleasure to welcome you to Summerville Union High School District.
Go Bears!

Michael S. Merrill
