

# Summerville High

## California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Diana Harford, Principal

Principal, Summerville High

#### About Our School

Summerville High School (SHS) is a comprehensive high school of 377 students. The Summerville Union High School District includes an independent study program, three necessary small high schools; and one 7-12 fine arts charter School. The Connections Visual and Performing Arts Academy (fine arts charter school) students, all 228 of them, attend classes with Summerville High students. This raises the number of students on campus to 605.

Summerville High School and Connections share a principal. Summerville High has two grade level coordinators (GLCs), and Connections has one. The GLCs' duties include counseling, scheduling, discipline, career guidance, and teacher evaluations. Each GLC remains with his or her class for all four years of high school to maintain continuity in the educational programs for students.

The current campus was built in 1965 to accommodate 400 students. The campus has been thoroughly modernized with updated technology. To illustrate, this year (2016-17) we have continued our iPad roll out program to issue 1:1 devices for all students on campus. We also increased our band width and continue to build our infrastructure to prepare for the new state testing, Smarter Balance Assessments.

All core teachers have also received Televisions, Apple TVs, and LCDs to facilitate the use of technology and enhance instruction. The infrastructure was also updated, providing access points so the Internet can be accessed anywhere on campus.

Over the past year, the Summerville High School staff has constructed a plan to create more cohesive pathways available to students. Four different pathways are available for students: agriculture, communications, business, and auto/mechanics/engineering.

Courses have shifted over the past two years as well. For example, Science teachers are beginning to incorporate the Next Generation Science Standards, with teachers utilizing digital media and technology. Also, to raise our expectations and provide opportunities for our students, Advanced Placement Physics was added in 2015-16 and Advanced Placement European History was added in 2016-17. During the past four years, we have shifted from offering four AP courses to eight AP courses

While students' academic success is always at the forefront of our minds, building character is also an integral part of our focus at Summerville High School. Therefore, the staff decided to build a Character Counts program to insure that our students understand the importance of marrying academia with character. "Character Counts Nomination Forms" were created to acknowledge when students are exemplifying strong character. Our hope is to be a "world-class" school and it is only through fostering good character that we will achieve this goal.

## School Description and Mission Statement (School Year 2016-17)

Summerville Union High School District  
Vision \* Mission \* Beliefs

Vision: Preparing students for college, career, and life.

Mission: Committed to excellence through innovative teaching and learning. Inspiring and empowering all students by providing the tools they need to be prepared for their future in an ever changing world.

We Believe...

- Every student can learn.
- In building a highly qualified and motivated staff with high expectations.
- It is our responsibility to provide every student with challenging and rigorous experiences so that they can become critical thinkers and problem solvers.
- In continually improving all aspects of the organization.
- In sound financial planning to achieve district goals.
- In doing what is best for all students.
- In engaging in and adapting to modern technology to prepare all students for their futures.
- That a clean, safe, healthy, and nurturing environment is essential for learning.
- All students should be engaged and academically challenged while accepting the responsibility for their learning.
- In co-curricular/extracurricular activities to enhance student development.
- Teamwork is vital for students, staff, and the school community in support of student learning.

### Student Enrollment by Grade Level (School Year 2015-16)

Grade Level	Number of Students
Grade 9	111
Grade 10	144
Grade 11	81
Grade 12	116
<b>Total Enrollment</b>	<b>452</b>

Last updated: 1/18/2017

### Student Enrollment by Student Group (School Year 2015-16)

Student Group	Percent of Total Enrollment
Black or African American	2.0 %
American Indian or Alaska Native	6.2 %
Asian	0.2 %
Filipino	0.4 %
Hispanic or Latino	11.1 %
Native Hawaiian or Pacific Islander	0.2 %
White	76.5 %
Two or More Races	2.4 %
Other	1.0 %
Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	36.7 %
English Learners	0.0 %
Students with Disabilities	3.3 %
Foster Youth	0.4 %

Last updated: 1/18/2017

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	32	32	32	39
Without Full Credential	0	0	0	3
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 1/18/2017

#### Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

Last updated: 1/18/2017

**Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)**

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	99.0%	1.0%
All Schools in District	99.0%	1.0%
High-Poverty Schools in District	100.0%	0.0%
Low-Poverty Schools in District	99.0%	1.0%

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

## School Facility Conditions and Planned Improvements

Summerville Union High School Facilities had it's last site inspection, October 12, 2016. The overall facility ranking gave the Summerville district an exemplary school rating with the school meeting 100% on all standards or repair.

*Last updated: 1/18/2017*

## School Facility Good Repair Status

Year and month of the most recent FIT report: October 2016

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

## Overall Facility Rate

Year and month of the most recent FIT report: October 2016

Overall Rating	Exemplary
----------------	-----------

*Last updated: 1/18/2017*

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts / Literacy (grades 3-8 and 11)	54.0%	63.0%	44.0%	51.0%	44.0%	48.0%
Mathematics (grades 3-8 and 11)	13.0%	33.0%	19.0%	31.0%	34.0%	36.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Career Technical Education Programs (School Year 2015-16)

1. Programs and classes offered that are specifically focused on career preparation and or preparation for work...(college, career and life)

-Agriculture

-Mechanics

-Manufacturing/Advanced Manufacturing

-Keyboarding/Advanced Keyboarding

-General Business

-Accounting

-General Auto/Advanced Auto

-Ag Leadership

-Law Enforcement/Advanced Law Enforcement

-Elementary TA

-Multi-Media

-Journalism

-Robotics

-Veterinary Science

-Work Experience

2. How these programs and classes are integrated with academic courses and how they support academic achievement...

Summerville High School's CTE courses support academic achievement by integrating real world academic skills into the CTE lessons, especially in the areas of mathematical applications and technical writings and readings.

3. The Measurable outcomes of these programs and classes, and how they are evaluated...

Currently, the outcomes of these programs are evaluated by the Perkins Grant Report which tracks the school and work decisions of students who have graduated from these classes. Summerville High School is currently working on implementing a CTE certificate program that will have strict requirements for attending and completing a CTE program and earning a certificate that will carry weight in future school and career choices. The program will be designed to motivate students to stay in school and graduate with the necessary skills to go on to further education or be employable upon high school graduation. Attendance, grade and class requirements as well as articulation with local junior college programs and industry sectors will all be vital parts of the certificate program.

4. The primary representative of the district's CTE advisory committee and the industries represented on the committee...

Tom Dibble is the CTE Administrator for Summerville High School. In addition, each industry sector is represented by an advisory committee that meets periodically to discuss what is being taught in each CTE class, and evaluate whether the instruction is adequate and will meet the needs of employers and educators who

may receive these students after graduation.

*Last updated: 1/18/2017*

### Career Technical Education Participation (School Year 2015-16)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	99
Percent of Pupils Completing a CTE Program and Earning a High School Diploma	84.0%
Percent of CTE Courses Sequenced or Articulated Between the School and Institutions of Postsecondary Education	20.0%

*Last updated: 1/18/2017*

### Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2015-16 Pupils Enrolled in Courses Required for UC/CSU Admission	90.0%
2014-15 Graduates Who Completed All Courses Required for UC/CSU Admission	36.7%

# State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

## C. Engagement

# State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

### Opportunities for Parental Involvement (School Year 2016-17)

The Governing Board of Summerville High School District recognizes that parents/guardians are their children's first and most influential teachers and that continued parental involvement in the education of children contributes greatly to student achievement and a positive school environment. In order to engage parents/guardians positively in their children's education, the Superintendent or designee shall ensure that staff members at each school:

1. Help parents/guardians develop parenting skills and provide home environments that support their children's academic efforts and their development as responsible members of society
2. Inform parents/guardians that they can directly affect the success of their children's learning and provide them techniques and strategies that they may use to improve their children's academic success and help their children in learning at home
3. Initiate consistent and effective two-way communication between the home and school so that parents/guardians may know when and how to help their children in support of classroom learning activities
4. Receive training that fosters effective and culturally sensitive communication with the home, including training on how to communicate with non-English speakers and how to give parents/guardians opportunities to assist in the instructional process both at school and at home
5. Encourage parents/guardians to serve as volunteers in the schools, attend student performances and school meetings, and participate in site councils, advisory councils and other activities in which they may undertake governance, advisory and advocacy roles

School plans shall delineate specific measures that shall be taken to increase parental involvement with their children's education, including measures designed to involve parents/guardians with cultural, language or other barriers which may inhibit such participation.

In addition to participating in school committees, parents have been surveyed to learn their opinions on our technology initiative. Based on parent feedback during the 2015-16 school year, we made several changes to our iPad use policies. In the fall of 2016, parent meetings were held to inform parents of these changes and provide information to help them supervise their child's technology use at home.

Also, parent meetings for school athletics are now held each season to inform parents about practice hours, competitions, travel, and other policies.

Please Contact Diana Harford, Principal for more information on how parents can be involved in their child's education.

Summerville High School

# State Priority: Pupil Engagement

*Last updated: 2/7/2017*

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15

Dropout Rate	9.3%	6.6%	7.9%	12.1%	5.6%	7.9%	11.4%	11.5%	10.7%
Graduation Rate	88.70	93.40	92.10	87.90	94.40	92.10	80.44	80.95	82.27

Last updated: 2/7/2017

**Completion of High School Graduation Requirements - Graduating Class of 2015****(One-Year Rate)**

<b>Student Group</b>	<b>School</b>	<b>District</b>	<b>State</b>

# State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

Rate	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Suspensions	7.7	5.4	6.7	5.1	4.6	5.0	4.4	3.8	3.7
Expulsions	0.3	0.3		0.2	0.1		0.1	0.1	0.1

Last updated: 2/7/2017

## School Safety Plan (School Year 2016-17)

August 2015, the Summerville Union High School District reviewed, updated and approved our School Safety Plan. In the fall of 2016, the safety plan has been reviewed, updated, and is pending approval.

Key elements to the plan:

Duck and Cover - Shelter in Place / Lockdown - Secure School / Evacuation - School Closure / Intruder - Hostage Situation /

Weapons, Bombs and Other Threats / Student Unrest - Civil Disturbance / Medical Emergency - Psych. Crisis /

Explosion or Risk of Explosion / Hazardous Spill or Release / Fire - Smoke / Weather Emergencies / Earthquake / Power, Utilities Failure /

Aircraft or Vehicle Crash/ Animal Disturbance / Emergency Phone Numbers / Media and Public Information / Campus Map

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2016-17)

Indicator	School	District
Program Improvement Status	Not in PI	Not in PI
First Year of Program Improvement		
Year in Program Improvement		
Number of Schools Currently in Program Improvement	N/A	0

**Academic Counselors and Other Support Staff (School Year 2015-16)**

Title	Number of FTE* Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	2.0	190.0
Counselor (Social/Behavioral or Career Development)	0.8	N/A
Library Media Teacher (librarian)	0.0	N/A
Library Media Services Staff (paraprofessional)	0.8	N/A
Psychologist		N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist		N/A
Resource Specialist (non-teaching)		N/A
Other		N/A

Note: Cells with N/A values do not require data.

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Last updated: 1/18/2017

**Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2014-15)**

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental/Restricted)	Expenditures Per Pupil (Basic/Unrestricted)	Average Teacher Salary
School Site	\$13166.3	\$1882.3	\$11284.0	\$67611.0
District	N/A	N/A	\$11284.0	\$67611.0
Percent Difference – School Site and District	--	--	0.0%	0.0%
State	N/A	N/A	\$5677.0	\$67969.0
Percent Difference – School Site and State	--	--	--	--

Note: Cells with N/A values do not require data.

Last updated: 1/18/2017

## Types of Services Funded (Fiscal Year 2015-16)

Summerville High School has a number of supplemental programs available to students. Title 1 funding allows for additional support through classes designed for lower ability students. There is an after school tutoring program funded by the district. We have a GATE program which consists of offering a challenging elective course each year. We also have special education services, library services, psychological and social welfare assistance, attendance monitoring and counseling.

## Professional Development

---

Teachers and administrators at Summerville High School and Connections VPAA attend trainings in a number of areas. These areas are selected by WASC goals, Single Plan for Student Achievement Goals, district needs and PLC goals. Technology training has been an area of focus over the last three years as we moved to a 1:1 program with an iPad for each student. Teachers in all core areas attending multi-day trainings on implementation of Common Core standards. By department area, teachers may request release time during the school year or work days during the summer to work on curriculum development and creating benchmark assessments. In addition, all new AP teachers attend a weeklong summer training program in their AP subject. Administrators have attended trainings in curriculum and instruction, personnel management, and special education. Our Athletic Director and ASB Director have attended trainings specific to their areas.

Most professional development opportunities take place off campus, through a county schools office or university. We have two days built into the calendar for professional development on campus, which may cover topics such as ALICE training, Google Classroom and app training, and instructional strategies for special educational learners.

It is important that teachers have an opportunity to share out their learning with peers, and they are also encouraged to make brief presentations to the School Board on conference and trainings that are attended.
